A Night's Work

"The Republicans criticize the Mayor because he does not know everything about every department. Whatever mistakes Mayor Hylan has made were made after the exercise of his heart.'

Hearst's manikin.

honest impulses of his (Hylan's) isting among our debtors.

life"?

Party discipline had made the Sen- everybody.

Let every man and woman, every parent who has been outraged by the ignorant misrule of the city during the past four years, respond to the committee's request for a dollar subscription. Hylanism can and must be smashed, the pernicious influence of Hearst can and must be elimipurposes accomplished must be practical withal. They must remember, the while that they are certain of their own sentiments and opinions and how they shall vote, that there are others whose suffrage is quite as necessary to victory; and to reach such voters and to help them form and fix their judgment of the issues upon which they must pass involves ative. offices, stationery, printing, telephones, postage, employees' salaries, advertising and the hundred and one

The leaders of the coalition forces are men in the most moderate cirthe people and bear its financial burdens as well. They have no Tammany with bulging wallets, no Hearst with millions to whom they of General Dawes.

can turn. They have only you. So give. Give a dollar or as much more as you can afford. Give until it hurts, and with the thought that there has never been a better cause!

Complaining Caravaners

The Brooklyn caravaners who left last summer for Idaho to become farmers are beginning to experience the hardships of the early pionatural, but will they stand up under the punishment?

Compared to the early settlers, these modern caravaners do not show up favorably. They complain that points: their settlement is far from the railroad, and say they will have difficulty in marketing their crops. They are surprised and annoyed that water is not as plentiful on the

New Dork Tribune | Idaho mesas as in Brooklyn. Their land, say these hardy pioneers, is

Doubtless true, all of it. But did this deter their predecessors? Did this spirit animate the Mormons and thers who literally made the desert blossom? Did it prevent the pioneers of the '40s and '50s from developing an empire out of a wilderness?

Men and women too poor to own automobiles and tractors, bearing no \$1.00 letters of introduction from mayors .85 to governors, traveling without the comforts of paved highways and frequent stores, faced the unknown West and won success in the battle worthy of consideration. with the wilderness. Their settlements still remain, monuments to their courage. Even in the dry lands of the Southwest the early settlers planted trees and lawns and gardens, and even shrubs and herbs,

and made homes in the desert. Are the modern caravaners of a feebler stock, or is it too soon to judge them? Certainly if they fail, would have no Dover tunnel. and fail because they cannot stand the rough life, it speaks ill of our the children of the '90s inferior?
